ROXIE RAY is just one of those girls. One of those girls who will eat you up and then spit you out, unless she decides to swallow.

When I have your cock in my mouth, I want you to fuck me my face. Shove your cock down my throat like you mean it, Like it's the last mouth you'll ever fuck. Then shoot that delicious man-goo into me and I'll swish it around and gargle with it while you try to figure out what I'm going to do with it. What am I going to do with it? Cum and see.

I'd like to put you down on your back, then I'll slide down your hard cock inch by inch until I take it all in. I'll hold there while my tongue goes to work on your balls. I'll come back up licking every inch of it and then nip and bite it until you beg me to stop, and even then I don't know if I will. I'll spread your legs open and pull your balls into my mouth. First one – then the other while I'm stroking you to cum. Which, of course, you'll do because it's me, Roxie, blowing you.

## chickenhead's blog

### To Black Dolls readers:

Guys, I'm here to tell you a little about myself and the stuff I'm into. That's why the editor's have given me this forum. To share my constant horniness with you you can share your cum with me.

It all started when I wrote to the editors of this magazine about one of the models. Her name is Carmen and she was in an earlier issue, in a pictorial layout that started on page 12 and ended in my imagination. She was in a sex scene with another girl, but I was so totally fixated on Carmen that

I didn't even get the other girl's name. Not that she wasn't attractive or sexy, I would do her in an instant, but Carmen really got me wet and I have to acknowledge that.

The layout starts with the two of them kissing and hugging, licking each other and finally using various dildos to make each other cum.

Well, I did not reiterate all that to the editors. I just told them that I wanted to be introduced to her and see what would happen from there. I mentioned that I had dabbled with girl-love but it had been a couple years of boys until I saw that pictorial. I told them I don't look at adult magazines but I was over at my boyfriend Dwight's house one night and found that issue in his desk drawer. We got into a huge argument (guys can be so insecure sometimes) about sex books and I ended up storming out of his apartment at 1:30 in the morn-

ing with my toothbrush - and his dumb old magazine.

When I got home, I was about to rip it up and throw it out but I couldn't do it. Rip it up, that is. So rather than try to tear the whole issue at once, I grabbed a few pages and started ripping. I did a few

pages and noticed that I had torn a page with this gorgeous girl on it so I had to stop and look at her. Her breasts were not quite perfect, but her nipples were. They were erect and wet from being kissed. They were dark and round and calling my lips. I found the other part of the torn page and saw her making it with another girl.

Since it was late and I was tired from arguing, I threw the magazine into my bathroom trash can and went to bed. Okay, so I couldn't sleep, I was thinking of that chocolate goddess. As I lay in bed, I slipped my hand down to my soon-to-be-wet pussy and started gently massaging it. I thought I would just do me a quickie so I could get to sleep. But the more I touched and rubbed, the hotter I got. I knew it wasn't going to be a few quick strokes, a mild O, and roll over. No, I found myself thinking about Carmen and rubbing harder and harder. I slipped a finger in my pussy, and then two and three, and pushing them in hard. I usually don't put my fingers inside me, but I couldn't stop myself.

After about 10 minutes and getting even hornier, I forced myself out of bed and went to the bathroom to get that torn page I first saw. I reached into the can and pulled it out, sat pantyless on the edge of the tub and looked at her pictures. My clit was hard, my pussy was wet and my

*If you didn't know, a chickenhead is a woman who likes giving oral sex, bobbing up and down like a chicken.*

---

fingers smelled of it. After staring and fantasizing about her, I reached down for the rest of the magazine. I now was curious what she did with the other girl. I put a couple of the torn pages back together and saw them licking and fondling each other. Tongues in each other's mouths, on each other nipples, licking each other's pussies. I didn't have to imagine myself there. I was there. I was the other girl in the pictures. I was the one kissing her lips, sucking her clit, thrusting my fingers into her wetness. I must have come twice sitting there. I laid the magazine on the sink, went to bed and finally fell asleep.

I woke up in the early afternoon to the phone ringing and Dwight's indifferent voice telling me what a bitch I was; how it's what men do; how he still wants me (yeah, all he wants is a fuck hole). I listened for a minute, then told him I needed to cool off. I told him I threw the mag away and if he wants to look at that stuff, he should go out and buy another one - or two.

Well, enough of that. I told the editors that I would really like to meet Carmen (but what I meant was wanting to have sex with her) if they would just get in touch with her for me. That I wasn't a weirdo or anything like that. That my name and address were real. That my feelings for her were real. But really, I didn't expect to ever

hear from the editors, but two months after I sent it, I received a letter back saying they got my letter and coincidentally Carmen had stopped by the office and gave her my letter. A couple days later I wrote a thank you note back to express my thanks and, admittedly, a bit of nervousness if she were to ever respond to it.

the readers expect from girls loving girls. I got so excited I immediately said yes.

Dear reader, I guess you have probably figured out that since I'm here writing to you now, that my letter got answered by Carmen. She told me what a sweetie I was and thanked me for the nice

I explained what I just told you about my boyfriend and that night with Carmen's picture in my bathroom, and that my interest in loving girls has been rekindled. There must have been someone on the staff that got a stiffie with that thought. I received another letter a week later asking me that if she did get in touch with me and we hooked up, if I could write about it in all the wet and glorious detail

note. We talked a while about girl lovers, photo shoots and chihuahuas. You'll have to stay tuned to find out more, because for all you know, I could have just gone to the editor's office and given him a hummer for this blog spot. And I could have ended up writing about my grandmother and her wonderful cookie recipes. Hey grandma, is it one tablespoon or one teaspoon of sugar???

Being in Las Vegas can get awfully hot. I'm MADI-SON LUV and I'm waiting for my girlfriend, ALANA PLAY, to come over so we can cool off...

She's here now and has brought a bag of goodies, but we're just going to hang out a little first. She's takes off my dress and pulls my panties aside to lick my pussy. She's a great cunt-queen. She knows just what I like because we've been doing this for years.

Madison's pussy tastes real sweet. When she knows that I'm coming over, I know she scents up special just for me because she knows I'll be licking and sucking on her for hours.

# IT'S GETTING HOT IN HERE

Baby, I just love all these toys your brought. I don't recognize a couple of them, but they sure do work good. I especially like this bag bad brown one that I can shove into your pussy.

I got the new ones just for you, Maddie. When I saw them I thought of you, that you would like these. You'd like fucking me with them and I know I wanted to fuck you with them, too.

# CALI CALLIN

DENA CALI is a wet dream.

I like guys and chicks. There's such a diff when it comes to sex when you're with a guy or a chick. I find that most guys are rougher and tend to do want to do things faster. Chicks like to take their time and really get into it. But Byron is a darling fuck. Probably because he's does it so much, he's more aware of what women want. Of course the pace of a video shoot tends to slow down the sex, but when the action starts it's full dick ahead.

When I first fucked him years ago, he felt so huge in my pussy. I had never been with anyone as big as him, but over the years and many good fucks later, he doesn't seem as large, but he's just as good. One of my faves.

I'm not a newbie any more, but I still love to fuck. It's amazing that human nature keeps us forever horny, no matter how many times we've done the dirty deed. But enough philosophizing. Byron get over here, I feel like sucking some dick. Is yours ready, because I am. Then you're going to shove it in my pink pussy as far as that huge thing will go. Let's do it, dude!

# LUST and B-BALL

even when you've finished playing, the game's not over

I was a star basketball player on my college girl's basketball team. At 5'10" I was pretty tall for a girl, but not as tall as some of my teammates. I was the shooting guard and made all-conference as a junior. My best friend from the team was a senior. She was six feet tall. Most of the girls on the team had tried girl-on-girl sex and I knew that Satari had already slept with a couple of the girls on the team. So far I had not been approached by any of the girls. I didn't know how but I really wanted to be with Satari for my first time with a girl. I had short dark hair with some purplish streaks in it, and my legs everybody said were shaped like model's legs. They tell me I was pretty. My breasts were a bit small but they were firm and sat nicely on my chest. I hadn't dated much because I was so much taller than any of the boys my age. I liked to read sex stories on the internet and look at pictures of women and men. I hadn't decided if I was a lesbian yet, and wanted to try both.

I loved taking showers with the team and noticed several of them had shaved pussies. I started shaving mine and found I really liked it that way. Satari shaved hers. Her pussy was beautiful. She bent over once and her lips were full and her little rose bud winked at me. I wanted so much to lean over and kiss it. She stood up and smiled at me that day and I almost melted. She called the next day and asked if I wanted to spend the weekend with her. Satari said she would pick me up and I hurried to pack and get ready for her. I wore my shortest skirt and my blouse was white and you could see my

bra. I wore red panties because I knew it was her favorite color.

She drove her car into the driveway and I ran out with my bag ready to go. She opened the door for me and we took off. She was wearing shorts and a halter top with no bra. She was so sexy. Her hair was as long and jet black. Her skin was dark and smooth. We got to her house and she introduced me to her two roommates. Wade was very tall – probably six foot eight or so. Bettina was also over six feet and as beautiful as Satari. Wade took Satari in his arms and hugged her and then took me and kissed me on the cheek and hugged me tight. I blushed a little and Bettina laughed and said he has a great weakness for tall girls. She took me in her arms and kissed me lightly and said 'I do too.' I blushed again and Satari grabbed me and dragged

me upstairs. I didn't know what to think and Satari just laughed and said she had a very open minded household.

Her bedroom was beautiful with a king sized bed, matching dresser and a full length mirror. She laid back on the bed and asked me what I wanted to do. We could go dancing or just hang out and watch movies. I really wanted to spend some time with her alone so I said let's watch some movies. She grinned and said I hoped you would say that. She had a TV and dvd player on a table at the side of the bed. She said 'watch this' and turned on the TV. The living room downstairs was on the screen and Wade and Bettina were kissing on the sofa. She told me that they had little cameras

*The living room downstairs was on the screen and Wade and Bettina were kissing on the sofa.*

all over the house. They had been broken into several times, so they installed them to catch whoever was doing it. They caught him the next week and they just left the cameras where they had installed them.

Back on the TV, Bettina was rubbing Wade's crotch and my eyes must have been bugging out because she laughed and said if I wanted to watch more, they will not mind, they knew they were on camera. I said sure and she pulled me into the bed next to her and we laid back watching as Bettina pulled his pants off. His cock was huge. At least ten inches long and very thick. Satari said watch this and zoomed in for a close up. She leaned over and licked the precum off the tip and sucked the tip into her mouth. I was getting very wet and so was Satari as we watched her suck him deep into her mouth. It was so hot watching them and I could see him tense up and he grasped her head and started fucking her mouth as he exploded into it. She did not lose a single drop as she sucked him dry.

Satari pulled me to her and said they want to watch us now and kissed me softly on the lips. The thought of them watching made me even hotter and we kissed and took each others clothes off. Her hands were all over my body as I moaned and felt my body shake. She kissed my breasts and moved down between my legs. She lifted my legs and pushed them back as she began to lick and suck on the lips of my pussy and down to my ass. I couldn't help myself as I came when she pushed her tongue into my ass. She then moved to my pussy, licked deep into me and finally attacked my clit.

Her fingers were deep into my pussy and ass as she sucked and bit on my clit. I came so hard that I passed out. When I woke up all three of them were standing over me. Satari was standing there with a worried face. I smiled up at them and said that was awesome. They all laughed. Satari took me and kissed me saying I had scared her and her roommates, who had been watching, came up to reassure her that I would be OK. Wade was standing there nude and his cock was still pretty hard. Bettina saw me looking at it and took my

hand and put it on his cock. Instinctively I started stroking it and watched as it get bigger. Bettina pulled Satari to her breasts and Satari started sucking on one of them. I licked the tip tasting the precum and licking around the tip. He laid back on the bed as I started licking up and down the length of his cock. It got bigger the more I licked it. I took the tip into my mouth sucking on it as I run my tongue around it. I loved the feel of his cock in my mouth and I started sucking it deeper and harder.

I felt a tongue on my ass and looked back. Bettina smiled at me as she licked up the crack of my ass. I went back to my sucking Wade's cock as I felt her tongue enter my pussy from the back. I tried pushing my tongue into the slit on the tip and he moaned as I probed it. Satari set on his face and I could see his tongue licking her clit. I felt her Bettina's tongue in my ass pushing in deep and I moaned as I sucked him in as deep as I could. I came again as she licked me deeper in the ass while pinching my clit with her fingers. She replaced her tongue with her fingers and fucked my ass with them. He moved my head down to his balls I sucked them into my mouth licking them with my tongue while stroking his cock with my hand. Satari moved down and started sucking the tip of his cock as I licked his balls and ass. I could tell he loved it when I licked his ass so I pushed my tongue into him as he moaned real loud. I could see Satari taking him deep into her mouth as I tried to push my tongue deep into him. He pulled Satari off of his cock and lifted me up and set me down on his cock. He filled me at once and I could feel his cock deep inside of me. Satari was kissing my breasts as Bettina was kissing me on the mouth. I started moving up and down on him with him moaning that he was going to cum. He started fucking me hard, thrusting deep into me. It hurt a little but the pleasure was

so great I came over and over as he filled me with his cum. I laid back smiling that it was so wonderful. I didn't know sex could be so great. I wanted to go down on Satari so I laid her back and started licking her pussy. It was wonderful as I explored her pussy with my tongue. I couldn't get enough of her as I licked her clit sucking it into my mouth. I pushed my fingers into her pussy and ass as I licked and sucked on her pussy and clit. Her roomies broke away and watched as I pleased her. She came over and over as I licked and sucked all the cum out of her pussy. She pulled me up kissing me hard as we lay on each other. The roomies left the bedroom and left us alone. Satari and I made love all night long, doing a 69 and learning each other's bodies. The next night after we woke up, Satari said 'let's go dancing' at the Ringers Club. I said okay not really wanting to go, but Satari insisted saying I would have a lot of fun. Bettina said she would go into town and get us all something cute to wear. Wade came in a moment later and asked what was going on and Satari told him what we had planned. He said we'd have a ball. He then asked me if I enjoyed last night and I told him I loved everything, He just smiled and kissed me saying 'thanks.'

It was still several hours before we were to go, so he asked us if we wanted to watch a film with him. Satari said she couldn't right now but I could watch with him. We went into the den and sat on the sofa as he started the movie. Appropriately, the

movie was about a cheerleader and a basketball player. They were making out in the gym when the rest of the team came in and caught them with his hand in her panties. I was getting excited when they took off her clothes and she started sucking one of them. Wade pulled me over to him and I started rubbing his cock as we kissed. I took his cock out of his pants and started licking it while we watched the movie. I sucked the slit and licked all around his cock. She girl was being fucked doggie style while sucking another guy. He was rubbing my breasts and pussy through my clothes. I was sucking him deep into my mouth as the girl was taken from behind and her ass filled with those big cocks. She was loving it as she was fucked hard in the ass. He pulled me up to his face kissing me and asked if I liked that. I told him I had never tried so he said let me. He stripped me and made me stand up in front of him with my ass to him. He bent me over and started licking my pussy and ass from behind. It was wonderful as he pushed his tongue deep into my ass while rubbing my clit.

I could feel his tongue licking around my pucker. I was ready to do anything he asked as he pushed one finger deep into me and then two fingers as he fucked my ass with them. He pulled them out and I felt the tip of his cock on my ass as he rubbed it over my pussy and ass. He first pushed it deep into my pussy and I groaned as he fucked me pushing it deeper into each time.

I started cumming when he pulled out and I felt it push into my ass. At first it hurt as he pushed in a little each time. As he pushed I pushed back as it started feeling good. He started moving faster and I looked up and Satari was watching us fingering herself. Satari came over and spread her legs in front of me and I started licking and sucking her pussy as Wade fucked me harder. I could feel his balls hitting my pussy. Satari now moves behind Wade and rubs his ass cheeks, maneuvering her fingers into his gutt crack and deftly into his butt hole. She finger-fucked his butt as he was filling my ass with cum. She pulls her finger out and massages his balls from behind, coaxing every last drop out of him and into me. We three say back on the sofa and turned off the TV. A minute later Bettina walks through the door singing and carrying lots of pretty shopping bags.

"It's time to party, bitches!" she screams.

*Satari came over and spread her legs in front of me and I started licking and sucking her pussy as Wade fucked me harder.*

AMBER STYLES and JANET NASTY are good friends, but today they are going to be better friends. They are going to get to know each other more intimately. Amber is going to meet Janet's pussy face to face and Janet is going to introduce Amber's pussy to her mouth and her big plastic toy. And we're going to introduce you to their video of this hot scene just by going online.

**YOU NEVER  
KNOW WHAT  
CAN HAPPEN**

When these finally get to be alone they can go awfully wild. But here, they can't get into trouble just because they want to eat pussy all day. Shaved clean and smooth, there's little to get in the way of their oral pleasures. Except the need to have something big inserted into their pussies. And since no man is around, rubber will have to do today.

# AT HER MERCY

KARMA ASS is one very naughty girl. Her ass called out to he fucked and Strokes answered the call. But first, before the pussy, before the ass, cums the mouth.

I love giving head because that tells me, up close, how big and hard the guy's going to be. If I can't take it all into my mouth, then he measures up. If I can deep throat him, it's still good, but I do love em large.

I just love the feel of a large cock in my ass. I spend a lot of time getting ready to be fucked there, so when the time is at hand, I'm ready to go, and go, and go, and go. Guys love it when I clench my sphincter and tighten it around their cock as they fuck me. It's something pussy muscles can't do!
